

# River of Discovery commemorative rocks

Be a part of history... help build the new San Diego River Discovery Center at Grant Park!

Plans include the beautiful sculpture "River of Discovery." This piece ties together a sense of discovery and the river's history while being a focal point for the project.

We are offering you a unique opportunity to have a personal engraved commemorative river rock inlaid into this sculpture.

There are a limited number of pieces available.

**\$500 gives you not only a place in history, but makes an important donation to bringing the San Diego River Discovery Center at Grant Park to reality.**
